Description of Services:

Central Aroostook Association is a non-profit 501c3 organization founded in 1959. Today, we offer eight programs within our association, which allows services to be provided to people of all ages. The eight programs include: Adult Services, Children Services, Community Case Management, Home & Community Supports, OTC (a special purpose private school), Residential Services, Shared Living and Work Services. To this day, a committed Board of Directors guides Central Aroostook Association. Fifty-one percent of the Board are parents or siblings of individuals in our programs. The association relies on hard working, dedicated and trained staff in addition to excellent leadership. However, we could not exist without the support of our local communities, the Maine Department of Health and Human Services, the Department of Education, Aroostook County Commissioners, the United Way of Aroostook and other charitable organizations.
